Within four months after beginning a new business located or operating within the corporate limits of Cincinnati, or for existing businesses, within 4 months of the start of the tax year, the business must file a Declaration. If filing your first Declaration, offer an appropriate additional explanation above or by attachment. Please notify the tax office promptly of any later changes. If your form is blank, or your name, address and account number have been preprinted and the information shown is *not* correct, please make necessary changes in the boxes above.

The three months prior to the Declaration due date should provide a reasonably accurate basis from which most businesses can estimate the current year's income. An original estimate can and should be amended if subsequent events indicate it to be grossly in error. If impractical to base this year's estimate as suggested, refer to last year's actual taxable income as indicated on your return. An estimate based on an amount equal to or greater than the last full year's taxable income is insurance against any penalty on underestimating for Cincinnati purposes.

Make your own income and estimated tax entries on Line 1. If you overpaid last year's tax and requested transfer of same towards this year's estimated tax, enter the amount on Line 2. Then deduct it from Line 1 and enter the difference on Line 3.

Line 3 represents the net amount of your estimated tax payable this year either in full with the filing of this Declaration, or in installments as indicated by the payment calendar. Enter on Line 4 the amount of remittance accompanying your Declaration – and please retain records for future reference.
